My deepest sympathies to Brian, Tim and the family. I can count on my two hands the number of teachers from primary to graduate school that I have found inspiring in some way. Mrs. B was one of these teachers. I could never call her Jean even 40 years later when she and GB attended our 40th reunion as guests. She had a passion for teaching and a genuine care for the growth of her students. She gave thoughtful, straight feedback which sometimes included a kick in the pants. A person is never forgotten until her name is mentioned for the last time. The legacy Mrs. B has established will endure many generations to come. Carl S., Haleyville High Class of 1972

Bryan and Tim, so sorry to hear about your mom s passing. Regretting not visiting her and your Dad more often. She left a positive mark wherever she went. Although I never was in her class, I remember her students in Haleyville being very glad to be in her class. I do remember how supportive of GB and our teams. Weekly supper at y'alls house or almost weekly. She was a lifelong cheerleader for your Dad and his teams. Thank you so much for sharing her with us! G.Y. HHS class of 69.

Jean was a great friend who was always fun and made me laugh when there wasn't much to laugh about! We had so many good memories, "inside" jokes and tales in and out of the classroom. If you went anywhere with Jean and Jan Brooks you were guaranteed an entertaining outing. She constantly checked in on me and my family, and we will miss her.

Jean was a delight to be around. I always enjoyed talking to her. My parents and I sat behind she and G. B. at many Fort Payne football games. She was a great supporter for the Wildcats.

She was a wonderful person that never lost her sense of humor. I so enjoyed reading about her "escapes" from her beloved son Tim. I still think he should write a book detailing their adventures.

Love you eternally Mrs. Beasley . You were my magnificent Physical Education teacher at Haleyville High School for years. You kept me in shape and never a dull moment. You took your students seriously and treated them like your children. I know you will be so missed. I will never forget our memories in school. I was fortunate to have you teaching me so much. Praying for comfort to your family. God Bless you all. Phyllis Burleson Grissom.
