Lori was an amazing person who made a real difference in our son Jesse's life. Jesse is autistic and nonverbal. Lori worked in his assisted living home from the very beginning of its establishment. She set the bar high for the staff that we hired. There's a big hole in my heart with her name on it.
Our love to Justin and her two precious boys she leaves behind.
God be with you, Justin.
Love,
The Wills (Katie, Lewis, and Jesse)

I am sorry to hear the passing of Lori. She fought her cancer with all her strength and heart. She wanted to be with you and the boys as long as she could. She was a great wife and mother. Loved to hear her stories/pictures of the boys with excitement as a mom. She became a member of our family as she worked with our autistic son Paul in Asheville, NC. My prayers are with you Justin in staying strong. My love to you and her parents. Gale Hoyt
