“ Jo Ann was a special woman that I met many years ago as my young daughter became a member of the ACGMA that Jo Ann founded . We fell i love with her. Through her legacy a lot of young artist were given.the chance to follow their dreams. Her shoes can never be filled but we will continue to try. The AMA is eternally grateful for her hard work and dedication that has allowed us to carry on and grow. Heaven has gained a very special lady ..Elaine Lunsford
