“ We were friends for 30 years. We got each other through our pregnancies you with Robby and me with the triplets. I would have lost my mind all those months on bed rest if we hadn't talk 10 times a day. I will miss being able to still call anytime I needed to talk. Love you my dear friend. And my thoughts and prayers go out to your family.

“ Being Leesa's friend was to become part of the family. She was there for all the landmarks in my life, we raised our children together and they remain best friends as well. Leesa gave the gift of herself to all of us, an ear when we needed it and a shoulder to lean on. If I had to describe her in one word it's GENUINE nothing false about Sissy. I know how much she loved me, I hope she knew I loved her with all my heart. Im planting a beautiful rose in your memory Sissy. You'll live on in my heart and fondest memories. My deepest sympathies and love are extended to Micheal, Cookie and Robbie and the entire Alexander and Tindel families. Debra Henderson Blunden
