“ John, Chris, Matthew, and Sarah,

I am so sorry to hear about the passing of your dad. He was the kind of Uncle every kid wants in their life. Though we didn't talk or see each other often, I will always remember his quick wit and love for you all. I hope you can find peace in the memories you have of him. I was in the Army for almost 5 years and have been employed with the Army for 30 years and have the utmost respect for him and the sacrifices he made both during and after his service. Be proud of him both for the Marine and father he was and tried to be. He wished he could have found peace within himself much sooner so he could have shown you how much he loved you earlier in your lives. You are welcome to reach out if you'd like to connect with me. I think your dad would be happy about that. Sending healing thoughts as you get through this difficult time.

Your oldest cousin,

Sonya DeLucia

“ Sue and family,

I am so sorry for your loss. As you know, the last time I saw Uncle Paul was at mom and dad's 50th anniversary celebration in FL. I am so glad you both made it. After the celebration when you both came to the house he and I got to talk on the back porch. He told me how happy he was with you and how much he loved my cousins and how grateful he was to have the Lord in his life. I have fond memories of him when I was a kid. We would be at grandma and grandpa's house and he would chase us around and play with us. I also remember him being a big jokester who would play tricks on my mom. One time he put his artificial leg (that's what we called it back then) under the car a little so when mom backed out of the driveway she would run over it (and yes it was still attached to him). He screamed like he was hurt then mom did too in horror that she had hurt him. Then he showed her his foot with the tire track on it. Only then did she realize that it was his artificial leg. She was so mad at him (only for a short time though). We laughed so hard afterward. . Anyway, I hope we can stay in touch. At some point when we can travel, Dave and I would love to visit and pay our respects. You all are welcome to visit us in AZ anytime. Until then we are sending hugs and much love. Heaven definitely has an angel with a sense of humor so watch out! Love, Sonya

“ Thank you for the many years of joy, happiness, protection and unselfish love you shared with mother. You were her physical rock that she leaned on for strength and courage! She was always happiest when she talked about you. Anyone that knows you, knows you always had a way of lighting up the room with your "dad" jokes or puns. I'm sure right now your sharing them with your heavenly friends and family!
We have temporarily lost a friend, father, husband and great man of God but we know that heaven gained that and much more! But we take great joy in knowing that we will all meet again someday.
Until then, thanks for all the joy you brought us while you were here. You will be loved and missed!
Robby, Dena and the boys!
