“ *Alex was kind, funny, loving, an never met a stranger. She was awesome inside an out... I pulled her first tooth, an taught her to ride a bike... we taught each other about life... she left a huge hole in my heart... I realize now what i couldn't see before... that i love her more than ive ever loved anyone... Alex, you was the first person I ever loved, my love will continue to grow everyday... I love you so much and i'm gonna miss you even more... I pray you open up the gates for me...*
