“ *Butch and Leah, I am so sorry for your loss. I can't imagine the pain you are going through. I met your family when Jeanne kept Brandi for me while I worked. I thought of Jeanne & Dallas as if they were family, I spent so much time at their place! I remember when Paige was born & also when Allison was born. I will be thinking of you all in the days, weeks, and months ahead. Again, I am so sorry for you and for all of Allison's family. May your memories help ease your pain.*

My deepest condolences to Leah and the family. I lost a son and know the pain of burying a child but to go through this pain twice seems so cruel. Please know you are all in my prayers and I am so truly sorry for you all. Especially those children she leaves behind. May God grant you peace in knowing that Allie lives on in those kids. Let that give you some comfort. Know that you will see her and your son again one day and what a Reunion it will be.
