“ *I have known and loved my cousin, Amy, all my life. She always went out of her way to show how much she cared about our family. I have such great memories of her and Aunt Rachel, and Uncle Joe. She was widowed at a young age, with three small children. She loved her husband so much and that broke her heart, but she dedicated her life to raising her children and took such great care of Aunt Rachel after Uncle Joe died. What a wonderful example of a true Christian woman she was. She was just a beautiful person.*

“ *Beth... I never got to meet your mother, but I know that she was a wonderful person because of the person that you are. I know that she taught you how to live with a positive outlook on life and how to always see the good in others. I am so sorry for your loss and am keeping you in my thoughts and prayers in your time of grieving. I love you!*

“ *How loving, patient and kind she has been to me my entire life. She was like another mother to me, I'm not sure how she put up with Beth and me during our teenage years! Loved her dearly and she will be missed by so many! Heaven has definitely received a new angel.*
