“ *We met years ago at one of the June Jams. We quickly became friends & extended family. Anita always made us laugh. We were always cooking something & talking about "it's no good, we gotta get rid of the evidence". We love & miss you all. Hard to believe how long it's been. If you need anything, we are just a phone call away. Although we can't make it, we will be there in spirit. We're Praying for you all.*
