“ I met Ann at a workshop in Birmingham over 20 years ago, and she hired me to work with her as music director in the theatre at Northeast. I worked with her & Mark Webb for a few very enjoyable years. Ann was a great person, very talented, and worked tirelessly at the theatre. She instilled a sense of striving for perfection in her students and theatre performers that will be remembered for years to come. Goodbye Ann, until we meet again on the other side.

“ Mrs. Everett was a major influence in my life. She was my biology and art teacher at Plainview in the mid-late 1970's. She impacted my life in such a positive way. I was truly blessed to have both she and Mr. Everett as teachers. What an amazing woman.

much in my thoughts. I have so many memories of Ann. She was
such a wonderful friend of my mom's and my recollection of their
