“ *We wanted you to know that you are in our thoughts and prayers. Sometimes we question why God calls children to dwell with him, but we must all realize that angels are hard to find and Anna Beth was truly an ANGEL. She will for sure be missed. Love, Heath-Ashley-Maddie & Meredith Jackson*

“ Mrs. Dobbs I wanted to express my sincere sympathy to you. Know that I am praying for you and lean upon God for all understanding. I can remember in speech class you talked about your children often. I dont understand why things happen the way they do but somethings are not meant for us to understand. May the arms of God surround you with love and comfort during this horrible time of grief. If you need anything I am only a phone call away. All my love

“ We were so happy to visit with AnnaBeth this summer before she went to band camp. She rode the golf cart with Bryant around the neighborhood and they also shot some hoops. He enjoyed getting to know her and thought that she was a "caring person". I remember going on walks and chatting with her about the neighborhood dogs, etc. Always enjoyed running into to her on her bicycle. She'll be dearly missed by many.
