“ *I did not have the honor of knowing Ms. Corbin in her days on earth. I have, however, had the distinct pleasure of knowing Vanessa's family and hearing so much about Ms. Corbin. The legacy of love that she leaves here on earth speaks volumes about her as a woman. My prayers are with her family and friends in the days to come as she surely will be missed. At the same time, my heart is warmed with the knowledge that Vanessa's grandmother had an amazing homecoming in heaven... and that I will get the chance to meet this lovely lady one sweet day. Love and prayers to each of you.*
