“ Mrs. Rogers was a good hard working woman who loved her family. She had endured so many hardships in her lifetime, but continued to have a caring and loving spirit. She would always welcome you into her home, or to set on the porch with her awhile. I enjoyed these times together. She will be missed by me and so many others. This Christmas she is rejoicing with those loved ones who have gone before. My thoughts and prayers are with the family and loved ones. May the Lord comfort each of you.

“ I first met Audrey in 1969. She became my mother in law and grandmother of my first born in 1972. She was a hard worker, a good cook, and a loving mother, grandmother, and great grandmother. She survived the death of six of her children. She didn't have an easy life, for sure! I remember her dancing in the kitchen (to Olivia Newton John) while cooking dinner after a hard days work! She was all about caring for her family. I think she knew everyone in Fort Payne! She will be forever fondly remembered, loved and missed. Her passing is sad, but her reunion in heaven with her family ... she's still dancing and rejoicing! Sincere condolences to her children, grandchildren, great grandchildren and all those that loved her. Brinda Chance Compton
