“ Teddy and family, My thoughts and prayers are with you during this difficult time. I lost my dad a little over a year ago, and my mom 18 years ago when I was only 26. While it is very hard to say goodbye, you do find great peace in knowing that they are no longer suffering and are in a better place. Keep your memories of your mom close to you as they will bring you comfort and joy.

“ *Teddy, Linda and family....so sorry to hear about the passing of your Mother. I lost my Daddy almost 10 yrs ago and it is the hardest thing in the world to live through. Words....however kind can't mend your heartache. But those who care for you wish you comfort and peace of mind. May you find strength in God's grace, the love of family and in the warm embrace of friends. Take care of yourselves and hope to see you in June.*
