“ *Mrs. Biddle touched so many lives during her years of teaching. Both of us remember her from our high school days. May God bless the family with comfort and wonderful memories of Mrs. Biddle.*

“ *Mrs. Biddle was my geometry teacher at Sylvania High School. I learned much from her. After I graduated from college and began teaching I ran into her one day at a concert at Northeast Community College. She was so encouraging and told me she always thought the best teachers should be in elementary school. I appreciated her for her words of encouragement and for the kind of teacher she was to all of us. My prayers are with the family. Linda Brown Johnston*
