“ *So sorry for your loss. Cherish and hold close all the great memories; knowing she now has no more pain or suffering will bring you comfort. She will always be watching down - when the sun shines its her smiling lighting your way. When the wind blows, she's whispering I Love You. When it rains, she's crying because she wants to take away your pain. She is now your angel and will never leave any of you. Many prays for you and your family. Be strong, she wouldn't want tears of sadness but tears of joy for she is finally at peace with God.*

“ Kathy, You know our hearts are with you and Todd during this time and your entire family....may you feel the peace of our Heavenly Father and may He comfort all of you as you adjust to your precious Mother being taken to her Heavenly Home, and in the arms of our Lord and Savior....Enjoy the precious memories of her life here on earth, and always remember her influence in your life, because the older you get the more like her you will be....Mommy's influence in our lives makes us who we are, especially when they are Godly Mothers... You were blessed to have her as your Mother! Much Love, Chuck and Julie Sanders
