“ I am so terribly sorry for the loss of your beloved mother and wife. I worked with Betty at the Dekalb County Health Department. I want you to know that she is being sorely missed here. Words cannot describe the quiet mourning here in the workplace because the void she has left will never be filled. I miss the lively, humorous, and friendly way she interacted with us all every day. She will not be forgotten and again, I am so sorry for the loss we all are suffering, but especially the loss to her family. I am praying for you all. Love, Beverly Perea

“ Dearest Family, The lost of your wife, mother, sister, and grandmother has sadden the entire County. Betty was the type of person that everyone knew and loved in their own special way. I have known Betty for over thirty years, and as a co-worker with the Dekalb County Health Dept. for fourteen years, she will be missed so very much, but was fortunate to have been a friend for all these years. John 11 Verse 25-26 " Jesus said unto her, I am the resurrection and the life, he that believeth in me though he were dead, yet shall he live". "And whomsoever liveth and believeth in me shall never die," Believeth thou this! May you always hold those special memories close to your hearts and Betty will always be with you all. God Bless each and everyone of you! Paulette Johnston
