My father passed away the day before our daughter's wedding. I felt like Scarlett O'Hara-I'll think about that tomorrow-today I'll do what I have to do. God bless you and your family!*

“ I was with Betty Joe in the Garden Club for many years and always enjoyed being with her. Her last two years in the club was as the Historian and she put together a wonderful scrapbook for those years. Also, she would tell me about the times spent with my parents, Carmon & Elizabeth Lowe at the Lookout Restaurant. She was a treasure and will be missed.

“ Betty Jo will be missed. She was a joy to know and one of the few women in the Rhododendron Garden Club that remembered my parents. She always had a smile for me and it brightened many a dreary day. I am sorry that I could not attend in person, but I had prior commitments and a doctor's appointment Monday.

“ Sue and Freddie-- It was about 13 years ago when we lost our Mom on Christmas Eve and were so thankful we were able to be there singing for her. I know how the loss hurts, but, remember that she served an awesome and victorious Saviour Who will send the Spirit to be your comfort and strength as you need it. May His love and care surround you in the coming days and weeks. Love to all Ron Wallace
