“ *So sorry for your loss of your mother. The last time I saw her she was the Life Center, he had been walking. I told her hello, then I realized it was Betty and I went back and gave her a hug. And she said thank you for coming back to give me a hug. She was a precious lady to me. May God Bless you at this time and the days and weeks ahead.*

So sorry to hear about Betty. Praying for all the family and sending our heartfelt sympathy. I talked to her a few months ago and let her know how my mother was going. She sounded pretty good that day. My uncle Jimmy Berry, told me the sad new today. Love, Lisa and Jeff Hughes
