“ Aunt Betty first appeared in our family when I was a kid in grade school. She was young and beautiful - the apple of my Uncle's eye, and I was soooo jealous! He'd always been "my Uncle Jimmy" and now I was having to share him with a lovely stranger! Well, that didn't last long. Before I knew it, she had not only captured his heart, she had captured mine as well as everyone in our family. We just couldn't help ourselves - she had it all going for her - looks, wit, keen intelligence - she ! We all loved and admired our precious Aunt Betty and all she's been to each of us. Her love for God and for her family, her wonderful sense of humor, her lively wit, the way she always showed everyone kindness will be her lasting legacy to us.

We grieve for our loss...but not her gain. My heart is heavy for my precious cousins and the family, but we have the assurance of knowing where she is and seeing her again! Once again, I'm jealous Aunt Betty! You're now enjoying the best family reunion ever!
