“ *I loved both of your parents so much. I loved talking to them and your mother was always so kind to ask about Campbell while he was sick. I can't imagine losing both my parents but especially both of them at the same time. Many prayers go out to you and the entire family. I will always remember them and will miss them so much.*

“ *What a shock this was to us. We only learned of your loss this morning, Fri. Jan. 12. They were very special friends and inspired us while we served at St. Paul and continued after we left. We are so sorry and your family is in our prayers. Rev. Jim and Ruth Hall.*

“ *Melinda and Steve, you are both in our prayers. Your mom and dad were like family to me and LaRue. I had gone to church with them as a young kid for many years until I married and changed churches. They were Herschel and Shirley's best friends and helped take care of Herschel when he became ill. They will always be in our hearts. You know they would have wanted life to end as it did, together. They are in a much better place than we are. We love you both, Larry and LaRue Lankford.*

“ Steve and Melinda,
I just want to say thank you for the memories. Your parents were great people!
I appreciated them very much. We enjoyed every minute that we got to spend with them.
I remember after Ruthie's burial he took us back to the cemetery and gave us a tour, and told us about the names of the ones buried there. And I remember how happy he was to have us stay at his little guest house. Wished we had had more visits.
Love you, God bless you, may He carry you through this time of grief.
