“ *Hi, Chris and Lisa Marie...
So sorry about Brother Billy; know you will miss him. I still miss my parents, so I know how it is. You have two things to be thankful for: You had him a long time, and have expectation of meeting in Heaven. May your faith sustain you, and if we can help, let us know. Will not be able to be there because of work; but our thoughts and prayers are yours. --Love, Emerson & Margaret*

“ *Chris and Lisa Marie,*

We were so sorry to hear about your loss. I know how you feel. I don't think we are ever ready to give up a parent. Our thoughts and prayers are with you. Love to you both and your family!

“ *So sorry to hear of Billy's passing. I worked with him at Vulcraft for 30 something years. Always a super-nice guy. You have my deepest sympathy.*
