“ *I remember as a small boy going to their home to play music. My father (Hank Lott) Played music with her husband Joe who played the steel guitar. In fact I played drums on a record we recorded in 1974. Joe was a great Ole Time steel player. Birma was very kind hearted.*

“ *Birma was a dear friend. I will never forget her. She was always so upbeat and always smiling and had something good to say. I miss her just knowing she's not in Ala when I come back for a visit. My condolences to the family. We will see her again.*
