“ This Cameron Martin I really wish j could turn things around and just go back to make it for your funeral but I hope you understand why. Ima miss every chance we was on the field together.. I just don't know what to say besides you was always a good friend. No matter how the out come would be you would always make me feel more comfortable to have fun and just remember the little things you have in life. Not once have u made fun of what I would wear or how my hair was never cut.
