“ We are so very sorry to have read about your loss in the paper this morning (10/20/10). There is no way we can come as our hearts want to attend....too late to get off from our jobs. Mrs. Bobbi will forever hold a special place in my heart as I remember the many meals we had in the fellowship hall at Second that she tried to run me away from the sink when washing dishes. She didn't like seeing me stand there and do those dishes..I just told her it was my turn to do the work and for her to enjoy the rest...she usually was ok with that. She was a blessing to me and I will forever remember her sweet, sweet smile. Watching her enjoy services was medicine for my soul! Please know how much our family loves each and every one of you. You are in our prayers and we are praying for strength for the coming days. Call us if you need anything at all....we understand as we have gone through this with the passing of Ronnie's dad year before last. Yours in Christ, Stacey Little Morton
