“ Brian was my baby brother. He always said in our younger years I picked on him. I don't think that's a true story. 🙄 during the past several years me and my late husband Mike enjoyed several cruises, motorcycle and slingshot trips with my brother and sister-in-law Kathy. Wonderful memories to cherish.

Brian had a talent that few people are blessed with! He could build just about anything anybody wanted. You just had to tell him or show him a picture. He was a dear friend to Glynn and I am glad his pain and suffering has ended. He will be missed by so many! Our prayers go to Kathy and all family! 🙏
