*“ Lord I'm lost for word's and don't even know where to begin. Yes I know God gained a beautiful angel this morning and I know she's shouting and rejoicing and singing with the angel's, but my precious sister I've know for many of years watched her grow up and she was my rock no matter when or how I needed her she was there and since my surgery she has helped my husband clean my house to get it ready for me to come home from the hospital she has cooked many of times for my family cause she knew I couldn't. Lord my heart is hurting so bad she was always encouraging me when I didn't feel like I could go on any further she would push me right on and say we can make it. Yes Lord she made it and as I set hear bawling trying to see through my tears please remember her husband and her children her daddy Robert Bagwell and her her sister Robyn Bagwell Johnson I love them so much and they mean the world too me.*
