“ "Share a memory" - there are so many that I wouldn't know where to begin. Carlos and I have been such good buddies for 40 years now. I am so saddened by his passing. He has meant so much to me for so many years. I don't have the words to describe our friendship and what we meant to each other. I so loved this man. He has been everything to me from my mentor to my friend. To the family: I am so sorry for your loss. Carlos was a great man, person and friend. I shall miss him all the days of my life.

Carlos and I met at PPAS in 1957. He was so nice and funny! Always happy and cheerful. A friend I'll never forget. For many years we tried to invite him for our alumni reunions but didn't know where he lived. My loving sympathy to his family, so sorry for his passing and not being able to see him after we graduated in 1960.

Quenby, I made it to the memorial for your dad but I didn't get the chance to speak with you. I did speak with Anthony but only for a few moments. I know that you don't remember me but I do remember all of you. Perhaps we will get the opportunity to meet again and share about your father. He was one of the best friends I have ever had. It is hard to picture my life without him it. Love to you all, Vicki.
