“ *Carolyn was one of the happiest people I know . She greeted all her customers with warmth and kindness . When I came through the line she would say , “what's for dinner ?” She loved talking about recipes and recipe books . I am glad I knew her . I know her sister and niece so to them and the rest of the family my heart felt sympathy.*

“ *One of the highlights of shopping at Winn Dixie and later at Foodland was visiting with Carolyn in the checkout lane. I always chose her lane so that we could spend a few moments catching up. She was a lovely, gracious lady ... and she will be greatly missed by the many customers who loved her, including me.*
