“ I have known Cathie since the 60's -- in the Girl Scout troop at Parkland school! I especially remember the camping trips with her mom as leader! What a great experience to be with both of them!!! I was so glad to have seen Cathie back in the fall, at Travis' wedding. It was such a pleasure to catch up on old times and meet her family. As much as I cheer for the Buffalo Bills, Cathie loved her Crimson Tide. While I was watching the Tide roll over ND, i , of course was thinking of Cathie. I hope that she was able to see them win! Her boys, their wives and those precious grandchildren can be sure that their mom loved and cherished them. RIP , my friend, rest in peace.

“ My sincere sympathies to Cathie's family...especially her sons and grandchildren. We reconnected after many years through facebook...sharing the common bond of losing our husbands way too young. My the Lord wrap His arms around you and bring you the peace and comfort that only He can truly give.

“ To Cathy's Family-I have known Cath for well over 35yrs. Though we re-connected on Facebook I didn't get the chance to come & see her like I was planning for this year. What I do know is she loved you all so very much which she told me many times. I'm glad the Crimson Tides won before she passed-how she was so loyal to them along with Family & Friends . She will always be in your hearts. I will be celebrating the chance I had to have her in my life & to know she is at peace now. Prayers to your Family at this difficult time.
