“ *The sadness that swept over me when I heard this news. The friendship we shared is one of great friends. We had a blast in that purple Volkswagon. We nearly froze to death. We would be running close getting back out to your house before your curfew struck 10:00. You could make that little bug darn near sprout wings and fly. I think we always made it. You always had a smile and kept me laughing. I know we haven't seen much of each other for some time but i always thought we'd change that some day. Thank you for being my friend and loving me like a sister as i do you. 🙏🙏🙏🙏❤️❤�*

You and I have sooooo many great MEMORIES of us playing rummy in Gadsden, to Misty and I coming to spend the night with you and Don to family trips to Helen. I love you so much and I am missing you already! No one will ever know how much you meant to me. I'm going to miss hearing your sweet voice. I know you are in a happier place and with Papa!!
