“ *My Dear Dad,
I miss you so. I can only hope to be as strong, courageous, faithful, resilient, and brilliant as you.
There are no words for such a great loss, other than knowing, you are always with me now, and with all of us in our own individual ways. You touched so many and inspired so many. It is my fervent effort for many years to replicate that in my life. And I will. I miss you, Dad. We will love and take care of Mother for you. Love, Laura*
