“ *Most of my childhood was filled with very happy memories, of not only Charlotte, but Greg & Mr Robinson. I grew up on a farm my father leased from Mr Robinson in Rogers TX. He would always bring me 2 packs of Dentyne gum (red&green), & a shiny silver dollar. I spent many weekends with Greg & Charlotte in Austin. Charlotte was so refined & I loved listening to her speak. She would tell me about her teaching Ann Margret in dance & show me pictures. I was amazed by her charm & hoped that I could be like her one day. When Greg passed, I was gifted his Tennessee walking horse named Salty. Charlotte & I stayed in touch for several more years after she moved to Onion Creek & regret our lost time since. She will be missed. I loved when she would simply say, Taa. My condolences to the family. Susan Cobb*
