“ *We have known Claude since grade school. For as long as we have known him he was a kind and caring person. We always enjoyed being with him and Lora. May God give Lora and the family the comfort they need during this sad time of loss.*

“ *There was never a time that I was around Claude that he didn't treat me with kindness and respect. The last time I saw him was Thursday after work and i am so happy I went by to see him. Besides his struggling to breathe you would not have known anything was wrong with him. He was sitting up in his recliner talking to us like normal. Little did we know only two days later he would be with or Lord and pain free. I will never forget the beautiful cedar toy boxes he made for my twin granddaughters first birthday. He was a Wonderful man of God that would do anything for you. He will be greatly missed by all his family and friends. RIP Claude. Love you!!*
