“ Uncle Clifford and Aunt Carolyn I have such fond memories of my many many visits to Fort Payne with my Dad ,your brother WC , since childhood. In more recent years I have enjoyed your visits to my home in Boston. It was so comforting to me to have you both there for me when my Mom and Dad passed. The love you have for each other has been an inspiration for Wadie and me to see. Wadie liked talking sports and politics with you and he will truly miss those phone calls and breakfast at Jack's. I will miss the love of family I could feel even though we lived hundreds of miles away. God bless you and Carolyn, Ken and Lisa. I am sad beyond words. Love always, Joni
