beautiful woman...I love you....and I miss you...

*I'm Tammy Bunn, her only living child, mother of Vanessa L. Farmer. I love my momma, and I could never have asked for a better one than mine. She read to me, watched cartoons and movies with me, listened to music with me, played with me, encouraged me, and tried her best to keep me alive, even if that meant fighting against my mind to do so. Every day that passes now, I know she watches over us, especially her beloved little Buddy Fuzzems.*
