“ Words can not express the sadness we all feel and the sympathy we have for you and your family. We all loved Connor and tried to protect him, sometimes things are taken out of our hands and placed in Gods, he is loved and missed by many people. Our lives will always be missing his smiling face and wit.

“ I just sat down to look at the Times Journal and seen the heading "teen dies on I-59" and went on to see the last name Blackwell. I said oh God please don't let it be anyone in Sue's family. As I read the obituary I saw that it was Jenny's son. I am so very sorry and I want you to know you are in my thoughts and prayers. I have been down in my back for several weeks and unable to get around very well therefore I will not make it to the service but wanted you to know I am thinking of you.
