“ Juanita, I was so deeply saddened to hear of Coy's death. From childhood, he was always my dearest friend and we shared so many laughs and stories. I know that he is at peace and watching over the rest of us. My love to you, Sarah Glynn

“ I have been thinking of you and praying for you to be comforted for the past two days, when I heard about Coy. This will be the hardest thing you have ever had to deal with, but you'll survive! You're a strong lady and God will help you through this. Call if you need me. (Sorry I couldn't come, this was a babysitting weekend that I had committed to weeks ago)
