“ *I haven't seen David in quite some time but often thought of he, Dennis and Robert with fondness and always will. My memories go back to the little house on the corner of Forrest Ave SW some 45 plus years ago. David had a big heart, a sharp wit and a warm contagious smile. I am proud to say he was my friend and he will be missed.*

My heart and prayers go out to Robert and the Family.

Go in peace brother, i hope to sit with you on your porch again someday.

“ Our love and prayers go out to my cousin Robert and Dianne and their family. I will miss David very much even though we never seen each other all that often, we really enjoyed every minute that we had together. I remember the great times we had with the family growing up, they would visit our family out on the farm where we as kids had some very fun times. Another memory I like to share was the time that David, Robert and Orbie and there families all came to Ohio for deer hunting season. As I remember the hunt went very well, but a lot of time was spent wondering where my son Micheal and Orbie was at in the 300 plus acres that we were hunting in. As it turned out they had gotten lost and spent a lot of time getting out of the woods and walking home, it was getting very serious at the time but we all had a big laugh about their adventures they told us later. Many other fond memories come to mind as I was writing this. Love you all
