

David Randall Terrell II

September 7, 1980 - February 13, 2024

David "Bear" Randall Terrell, II was born September 7, 1980, to his parents Randall Terrell and Marie (Terrell) Armes, making his appearance one week early in Waco, Texas and he has been surprising everyone and anyone every chance he could since. Bear left us way to soon on February 13, 2024. A Celebration of Life will be held at Fort Payne Celebration Church 10783 US Highway 11 Fort Payne, AL (Collinsville). He was class of 1998 in Junction TX. He excelled at Cross Country, 1600 meter and the 3200 meter where his record still stands today. He played football, basketball, and tennis. Bear had a love for the outdoors having nothing but Texas Uncles he learned to hunt and fish at an early age, and continued that love all through his life. He briefly served as a youth pastor in Texas & Oklahoma. Bear was the ultimate salesman and could sell ice to an eskimo, but he found his calling in the car business. Winning Salesman of the Month became a running title and one he was proud of. He was active in the Fort Payne Community. His crooked Terrell smile and enthusiasm was infectious. His laughter filled a room, as much as his presence. The impish glint in his bright blue eyes, you just knew he was up to something. If you knew Bear well you just knew him. Those that preceded him in death were his father, Randall Terrell; his grandparents, Charles & Sara Ringling and Norman Goodwin; his uncles, Parke, Scot, & David Goodwin. Those left to mourn him and miss his laughter are his wife, Roseanna Terrell; her children Shyanne and Joshua; sons, Connor R. Terrell and Nathan Caraway; his mother-in-law, Deborah Lynch. His mother, Marie Armes (Clay);

his sisters, Keeley Armes-Smith (Kevin), and DeLana Lara (Francisco); uncle, Kirk Ringling, his Poppa, David H. Terrell; Granny, Betty Ann Kelley; his aunts, Pamela Terrell Crawford (Greg), Lynette Dimbero (Ted), Chiffon Erwin (Matthew), Carolyn Barnhill (Autry), Mary Morin (Dean), Lisa Hagood (William), Laura Foster (Dale), and Carol Lamb; uncle, Robert Terrell (Tina); uncle, Mark Terrell; and Numerous nieces and nephews.

“ Bear had a huge impact on me. I was on the cross country and track teams with him. He was an inspiration in performance and personality. He had a knack for cheering you up, and weaseling his shenanigans into athletic and academic life. He'd start singing silly songs, and brought the most unique music... all of which I still remember the words to, today. He could run like the wind; and from a fellow long distance runner and Junction Eagle - fly high, Bear!

“ My sons thought a lot of Bear especially my oldest son, Brady. Bear would hire him to do odd and end jobs around their house when Brady was in Junior High school. He would pay him to mow the grass, stain the decks, etc. He helped create that work ethic in him along with being someone he could always call on if him or his buddies got stuck in the mud. He was a sweet neighbor and I will be forever grateful for how he treated my little family. RIP Bear. You will always be remembered.

“ Bear was one of the funniest and most earnest men I ever had the pleasure of knowing. One of the first people I ever met that might be as loud as me. We knew the thrill of victory and the pain of defeat together. You ride into the Lord's arms first old friend. Prayers for those you leave behind.
