“ I was so very sorry to hear about Delilah! She was such a sweet person who was kind and generous to me and my family. Delilah had the best sense of humor and such a love for her pets, as those cute little squirrels y'all raised. Praying for you ❤️

“ Delilah and I met in 1972 while working together for Dr. James B. Roebuck. We formed a great friendship that not many people get to experience. We shared many special moments together. I have not got to see her in the last few years and I regret that. Kenneth just know that my thoughts and prayers are with you and the rest of her family. RIP my precious friend..I love you!!
