“ I have worked with Dewayne for a good number of years. I work in the safety department and I have had many positive and friendly conversations with Dewayne. He was a very likable guy. If I could give his family and friends some encouragement it would be these words; In a way, the pain of grief is a gift to us because it is evidence of the presence of love. Rest in peace Dewayne.

“ Dewayne started on my fleet when he first came to Boyd, we both had a lot in common enjoyed spending time talking with him then and he would still come by and visit with me even after I left the operations dept. The one thing we talked about the most was our families, Dewayne loved his family and we would share stories, and you that is one thing that will always be with us is the stories and memories we have. My family and I will keep the family in our prayers. Joani Coffman.

“ *When I came back to work at Boyd Bros. in 2010 Dewayne was one of the first drivers on the fleet they gave me that I bonded with. He was such a great person and friend. I loved him and Gena both like family. I have been missing him since he had to leave in March and will continue to miss him. Praying for peace and comfort that only God can give for Gena, Cody and the rest of the family.*
