“ *We have known Mrs. Lola ever since we moved to Fort Payne in 1980. She was our baby sitter of choice. When we went to Hawaii on a convention for two weeks, she acted like a loving grand mother took care of our 3 kids like if it was her own kids; they loved her, and still have happy memories to share about these two memorable weeks. From then on, she faithfully came to clean our house and chat while working and having lunch every Tuesdays, and she would come and do our office every weekends. She was to be trusted in every possible ways. May she now rest and continue to watch over everyone who had the chance to have known her.*
