“ *My condolences to the family. I worked with Chief Gann on a daily basis for 1984-1986. He was a man of great integrity and loyalty who loved his country and military family very much. He not only taught me a great deal about military personnel procedures but also about leadership through his own example. His compassion was exemplary and this world has lost a great man.*

“ *I knew Don for many years. Played Baseball and fast pitch softball and golf with him. He was a great athlete and was once pursued by major league baseball and if I remember correctly he signed a contract or had a contract. He was a wonderful human being and anyone who knew him would agree with that. He was a regular in St Paul Methodist Church and will be missed by all.*
