“ *I am very sorry to hear about the passing of Coach Guinn. I got to know him (and his family) will I was at camp in Mentone. He was a very nice man and I learned a lot from him during my time there. I always thought I would come back up and try and look him up as I had heard he still lived in the area. Unfortunately I have missed my opportunity to see him and thank you for his guidance during those years.*
