February 21, 1936 - February 8, 2025

Donald Herman MacDermid, age 88 of Fort Payne, Alabama, passed away on February 8, 2025 at his residence. He was born on February 21, 1936 in Romulus, MI to the late Norman & Mildred Herman MacDermid.

Don enjoyed a fulfilling career as a Controller at Inner City Products (Heil Quaker) in Lewisburg, TN, retiring in 1994. At one time, he was an active member of the Elks Club and the Lions Club in Lewisburg.

After retirement, he continued to pursue his many passions and interest with enthusiasm.

In 2019, Don moved to Fort Payne to be closer to his children and grandchildren. He had a deep love for horses and once cared for more than two dozen on his farm in Lynnville, TN. His appreciation for craftsmanship extended beyond animals-- he restored classic cars and tractors and even built and renovated homes. Holding an electrician's license in Tennessee, he often lent his skills to friends working on their own projects.

Don is survived by his children, Michael MacDermid and Anita MacDermid (Don Donaghy, Jr.); his brother, John MacDermid; sister, Kathleen Barker; granddaughter, Suzie Dent; and great-grandchildren, Joshua Scoggins, Natalie Scoggins and Jeremy Ledbetter. He was preceded in death by his wife, Nina Liggett MacDermid; infant son, Donald MacDermid, Jr.; parents; and sister, Norma Goff.

A private memorial service will be held at a later date.

Don will be deeply missed by those who knew him. May his memory bring

comfort to all who loved him.
