“ *I worked with Don at Vulcraft for many, many, years. He was always so nice and polite and I will always remember him for that. I had known him and his brother, Jim, for many years before as they were in school with my older sisters. You are in my thoughts and prayers in your loss. Peggy Lankford Bailey*

“ My name is Randy Keith, and most of you will remember me as Donald's first cousin. Although we didn't get to see each other much in recent years we were like brothers as children. I loved him like a brother, and miss him. I won't start on my memories of us as children or this would turn into a book. My condolences to all of his surviving family.

It may seem a bit strange to any of you who are not believers, but knowing Donald I believe he just moved into the Mansion Jesus promised all who believe.
