“ *I got to see him one last time in mid September. The last thing he told my fiance is to take good care of me. He gave me a hug and a kiss. Hadn't seen him in awhile but I'm glad I did that day. He's been our neighbor /family friend for 10 years and has always been kind to my family.*

*We will greatly miss you!

“ *We are so sorry for your loss. Kenneth and I both worked with Doug at the police department, at different times. Doug always kept us laughing and was just an all around good man. I was happy to hear his voice on the other end of the line when he would call the police department every now and then with a complaint about something in the neighborhood. It was nice to hear him and that he seemed to be doing well. Again, we are sorry for your loss, the world lost a good man.*
