You were part of many of Gabby's firsts... her first boat ride, caught her first fish, her first ballgame, dance recital, cartwheel, getting her ears pierced, etc... I knew Dr Lane Smith on a professional basis. He was 3 of my children's orthodontist. He was always so nice. So upbeat and made all of my children feel at ease with the braces processes. I remember he talked about all of his Church activities. He loved his Church. I will praying for comfort and peace for his family. Dr Smith will be missed.
