“ *I will always remember Dudley as a wonderfully funny storyteller and creator of unique metaphors! A lover of the natural world, hunting and fishing, boating and riding his motorcycles and ADDICTED to tinkering on something out in the garage! He was a little like a hoagie roll.....a bit crusty on the outside, but soft on the inside. I am glad I had the chance to know him and wish him peace and wellness forever in heaven. My sincerest, heartfelt condolences to his family at this difficult time.*
